

SDP 2025-2026

Priority 1: To provide purposeful opportunities for all pupils to develop as creative, curious, and independent learners

Priority 2: To refine monitoring and evaluation processes to focus closely on the impact of teaching on learning

Priority 3: To develop the provision for developing pupils' spiritual understanding

Priority 4: To further develop our whole school approach to promoting positive and emotional mental wellbeing, in order to reduce the impact of poverty, and improve pupils' wellbeing, engagement and attendance at school
