

SDP Priorities 2024-2025

Priority 1: To develop and improve the curriculum in order to ensure that the cross-cutting themes are interwoven into our development of the curriculum. To trial further approaches to planning and assessment of progression for the Curriculum for Wales.

Priority 2: To embed high quality LLC provision, and raise standards in Extended Writing in both Welsh and English, especially across the curriculum, and further embed Spanish and BSL for all learners.

Priority 3: To continue to improve Numeracy and Maths progress and attainment across the school.

Priority 4: To further develop our whole school approach to promoting positive emotional and mental wellbeing in order to reduce the impact of poverty, and improve pupil's wellbeing, engagement and attendance at school.
