

## YMLAEN GYDA'N GILYDD / FORWARD TOGETHER

Friday February 7<sup>th</sup> 2025

What have we been up to this week...?

### Children's Mental Health Week

This week all classes have been discussing and carrying out activities to promote 'Children's Mental Health Week'. On Friday we invited all children to come dressed in clothes that make them happy- to know yourself-grow yourself. Please look at Class Pages for activities carried out.

### Dydd Miwsig Cymru

On Friday February 7<sup>th</sup> we celebrated 'Dydd Miwsig Cymru'. This is an annual event that highlights the rich and diverse music created in the Welsh language. It encourages people to discover, enjoy, and support Welsh-language music across various genres, including pop, rock, folk, hip-hop, and more. This day celebrates the unique cultural heritage of Wales through its musical expression.

In a special assembly we sang Welsh songs and discussed some famous Welsh singers and bands, such as, Dafydd Iwan, Sir Tom Jones, Dame Shirley Bassey, The Stereophonics and Katherine Jenkins.

### Family and Community Engagement

PIPYN continued this week.

This session was all about how much added sugar was found in foods. The families made sweet potato chips with yogurt, mint and cucumber dips. They also looked at good teeth routines. What a great session!

## A message from our Diversity Rangers

We are the Diversity Rangers and our job is to make sure that we are celebrating all people in our curriculum, no matter who they are or where they are from.

We would like to invite people from different countries, communities, cultures and religions as well as others with different lived experiences, such as having a disability into our school. If you think that you can support us and would be happy to come into school to talk to pupils please can you contact [mrmorgan@llwyncrwn.co.uk](mailto:mrmorgan@llwyncrwn.co.uk), and say a little bit about what you would be able to come to talk to us about. We will make a database with this information and a teacher will contact you if they feel you could be helpful to us.

Thank you,

Bella, Kacey, Amalie, Luca and Arina

### Safeguarding News

Safeguarding children is the action we take to promote the welfare of children and protect them from harm. Safeguarding is everyone's responsibility. Every single person who comes into contact with children and families has a role to play. If you have any concerns about a child's welfare or safety, please speak to a member of the schools Safeguarding Team.

Here they are:

The poster features a red background with the school's logo at the top center. Below the logo are cartoon illustrations of children and two speech bubbles. The speech bubbles contain the text: "Are you feeling worried about yourself or someone else?" and "Do you want to talk to someone who can help?". At the bottom, there are five circular portraits of staff members, each with their name and role listed below them.

## Site Security

Site security is checked regularly by Mr Furber, our Site Manager and also by responsible RCT staff. If you happen to see any part of our school which you think is damaged, please let us know.

## Steps

We have had a few discussions about installing hand rails on the steps leading up to Hall 1. Staff from the Health and Safety Team will be visiting school soon to look into this for us.

## Astro

During the half term break, the astro is being cleaned and repaired. It had quite a lot of damage during the stormy weather recently, and has been unsafe to use. Hopefully it will be safe to use again after half term.
