

## YMLAEN GYDA'N GILYDD / FORWARD TOGETHER

Friday January 31<sup>st</sup> 2025

What have we been up to this week...?

### Technocamps visit

Technocamps visited school twice this week to work with PS3 classes. Here are Dosbarth Willow having a great time coding with Rhys. They created a human body quiz using Scratch. What great fun!

### Red Cross visit

Year 6 had a visit from The British Red Cross, who delivered a First Aid training session. The children gained some extremely important life skills, and thoroughly enjoyed the experience.

It was great, and we learnt how to do CPR

I know more about what to do in an emergency now

## Pontypridd visit

Dosbarth Lime went on the bus to Pontypridd on Thursday January 30<sup>th</sup>. The children were very well behaved and had a wonderful time. They visited Pontypridd Museum, where they talked about the building of the Old Bridge. They saw various exhibitions that showcased local history and culture. They then took part in a bridge building challenge. What a great way to apply what they had learnt and also work together as a team. Bendigedig!

## Re-Cycling Christmas Cards

RCT Council came to weigh the remainder of our collected Christmas cards this week for the recycling competition.

Diolch to the Eco-Committee for organising the collection, and also to all those who kept and sent cards into school.

### Family and Community Engagement

PIPYN continued this week. This session explored how many hours of activity is required through active play and how to make this fun. What a great experience for all involved!

### SAFEGUARDING News

#### Posters

We have had new Safeguarding Team posters made which are displayed throughout the school.

# Llwyncrwn Primary School Safeguarding Team

## Gate safety

Our decision to close Gate A at peak times is working well, and we have had quite a few positive comments on this. Thank you for your support.

## Arriving late at school

Please ensure that all late arrivals are signed in at Reception. If a child walks around the building after the bell has rung, we do not know that they are present.

## Staff Training

- All staff had Fire Safety Awareness training on Monday January 27<sup>th</sup>.
- Mrs Charles, Mrs James and Miss Davies attended a training session this week which was all about Cyber Security in schools. Cyber Security is the protection of electronic devices, services and networks - and the information on them - from theft or damage.

### Dates for your Diary

Thursday February 6 <sup>th</sup>	Spring Term Governing Body Meeting 4.00pm
Tuesday February 11 <sup>th</sup>	FOL Valentine's Disco
