

YMLAEN GYDA'N GILYDD / FORWARD TOGETHER

Friday January 17th 2025

What have we been up to this week...

Swimming

Swimming re-started this week for different classes. Staff have said that all the children were very well behaved and had very positive experiences.

It is important that all children attend the weekly swimming lessons. They are paid for by the school, and this is a great opportunity to learn the essential skills of swimming and life-saving.

If your child is not attending the lessons for any reasons, please contact the office.

Family and Community Engagement

PIPYN started this week. Everyone involved had a positive experience and thoroughly enjoyed the session.

PIPYN aims to support children (aged 3-7 years) and their families make healthy choices. It is an opportunity for young children and families to access free support around building healthy family habits. PIPYN includes topics such as eating healthier on a budget, meal planning, affordable food, good shopping habits, healthy recipes, screen time, active play, family play and much more!

The first session was all about fussy eating, with the children having some great hands on experiences.

Here is the list of our forthcoming training sessions.

If you would like to join us for any of these, please register at the office or online.

Courses	Date
Confidence Course	Friday 31 st January 10 a.m. to 3 p.m.

ADHD Awareness Level 2	Tuesday 25 th March & Wednesday 26 th March 9.30 a.m. to 3 p.m.

Animal Encounters

On Friday January 17th Animal Encounters, Predator Workshop came to visit Mr Morgan, Mrs Swain, Mrs McDonald.

A huge 'Diolch yn fawr' to Aled from A& S Animal Encounters for coming into school to help our classes launch their Spring Term topic- 'Predators'. The children had the opportunity to meet and interact with a marsh mongoose, a royal python, a black throated monitor lizard, a striped skunk and a binturong. The children learnt lots of facts and also asked lots of interesting questions.

What a super session to end the week. Bendigedig!

Punctuality at Llwynyrwn

We are noticing an increase in children arriving at school after the bell goes.

School starts at 8:55 for KS2/ 9.00 R-Year 2 / 9.15 for Nursery

Punctuality in the morning is very important in ensuring that children and classes are settled quickly for learning.

As soon as the children enter classes in the morning they start their learning activities, it is of vital importance that all children arrive in class promptly.

The co-operation of all parents is asked to ensure that their child arrives before the school bell.

Any child that arrives at school after the first lesson has started, has to be brought to the school office and be signed in through our halo system.

Punctuality is noted daily and discussed with the School Attendance Officer, and if required, action taken.
