

YMLAEN GYDA'N GILYDD

Friday September 13th 2024

Launch Days

The classes have been busy over the last two weeks planning and preparing for their new topics for this term. The topic for the whole school is 'YMA O HYD'.

Each new topic begins with a big, 'wow', inspiring day to capture the children's interests and 'hook' them into their new learning. We call these Launch Days.

These days can be trips or visits to a place of interest, a visitor may come into school to work with the children, we may dress up to teleport ourselves into the past or to another country or, we may inspire the children with a series of workshops and activities in school such as dance, cooking or drama.

We have had Beddau Street Detectives, a Discovery walk around the school, an environment walk around the locality, World War 11 events and much more.

Please see Class Pages for further photographs and information.

Family and Community Engagement

Data Forms

Data Forms have been delivered to all children during this week. These forms are very important and must be brought back to school, in the envelope provided, as soon as possible.

Drop off/Pick up

Please could we remind you, for the safety of everyone, it is your responsibility to supervise your children at all times when lining up and dropping off at Breakfast Club, and also when lining up at the start of the day. We have witnessed children throwing stones, rolling down the grass banking, and running around the school building unsupervised.

Thank you for your support in this matter.
