

YMLAEN GYDA'N GILYDD / FORWARD TOGETHER

Friday June 20th

Dear Parents/Carers,

What have we been up to this week...

School Banners

To promote Llwyncrwn and celebrate our fabulous Estyn Inspection, we have purchased two banners, which we have displayed proudly outside school.

A visit from Ivy

The pupils are thoroughly enjoying the visits we have from our Therapy Dog, Ivy. The groups talk and share stories, and this week were able to take Ivy out for some fresh air on the yard.

Diolch yn fawr Ivy and her owner Carly for visiting us.

Sports Day

We held Sports Day on Wednesday June 18th. The sun was shining and it was a lovely day. Thank you so much to all our families for joining us in the morning and the afternoon. It was great to see so much support for both sessions.

All the pupils who took part were amazing and showed great sportsmanship.

Well done to you all / Da iawn i chi gyd!

Family and Community Engagement

Science Session

The Science session this week was all about looking at how coloured water travels. The families mixed water and cornflour together to show how it turns hard, and then when you pick it up it turns into liquid. What a great afternoon learning together.

Lego Therapy Free Course

We will be running a Lego Therapy Course from **Tuesday 24th June, 1 to 3 p.m. for 4 weeks.**

Lego Therapy is commonly used to improve social skills and communication through teamwork.

It works very well for children with Autism Spectrum Conditions.

Please contact the school to book your place on this fabulous course.

Many thanks Mrs Hunt

Our School Summer Diversity Fete 'CELEBRATING US' is next Friday June 27th.

We hope that you can join us.

All parents/carers of Year 5 and Year 6 are invited to an important Online Safety Information Meeting, hosted by Llwynyrwn in collaboration with PC Leigh Newman, our School Police Liaison Officer.

The winner from each year group will be chosen and presented with an award during a presentation.

Date: Wednesday 9th July

Time: 2.30pm

Location: Hall 2

As our children become increasingly active online, it is more important than ever for parents and carers to be equipped with the knowledge and tools to help them stay safe in the digital world. During this session, PC Newman will share valuable advice on topics such as:

- Staying safe on social media
- Recognising and avoiding online risks
- Parental controls and privacy settings
- Cyberbullying and how to respond
- Where to go for help and support

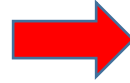

This is a great opportunity to ask questions, learn practical tips, and work together to keep our children safe.

We strongly encourage all parents and carers to attend. Your involvement makes a real difference in helping our children use technology safely and responsibly.

We look forward to seeing you there.
